

MOSTAR - Međugorje

On this tour you can explore one of the most popular places in this area, Međugorje. Međugorje is a town located in the Herzegovina region close to the border with Croatia. The town is part of the municipality of Čitluk. Since 1981, it has become a popular (though still not officially approved by the Vatican) site of Catholic pilgrimage as a result of apparitions of the Virgin Mary reported by six local children, 10 years before the Bosnian War broke out. This led to much prayer, conversion, fasting, penance and peace. In all this peace, you will have time to reach out to our Lord, with tears and laughter on the steps to the Cross Mountain, climbing Apparition Hill and in the glory of St. James Church and its surroundings.
